Half Term Halloween Activities spook Rugby Town

On Friday October 31st Rugby Town will be gearing up for a ghoulish day as Halloween comes to town. Parents and children are invited to come along and enjoy the spooky festivities including a pumpkin workshop and face painters ready to create some scary faces for the children.

Visitors to the town centre will be able to try out pumpkin pie and pumpkin soup and even take the recipe home so they can make their own. The face painters will be on hand to make sure all the children get their very own scary look before they go trick or treating. The activities will be starting from 11.00am right through until 4.00pm in Market Place.

“Halloween falls on the last day of half term and so we thought it would be a great to get the spookiest day of the year off to a great start for families with some spooky activities in the town centre,” says Aftab Gaffar, Operations Director at Rugby BID, who is responsible for the programme of activities. “And for families heading into town there’s also plenty of shops that will be selling the perfect accessories to complete any Halloween costume. There really are plenty of reasons to come to Rugby on the 31st October.”

If you don’t want to miss out on all the ghostly fun come along to Rugby Town Centre on Friday 31st October from 11.00am.
