Raise your glasses to a late night shopping in Rugby

Late night shoppers are invited for a glass of wine at Principles in the Town Centre on Thursday 29th November. The clothing store will be hosting a special evening of shopping to help customers find their perfect Christmas outfit as the festive season fast approaches. The store will be open, alongside other retailers, until 8pm giving shoppers plenty of time to find what they are looking for.

Julie Ramjeebhai, Store Manager at Principles, said, "With Christmas just around the corner we wanted to give shoppers the opportunity to do some late night shopping. By opening until 8pm customers have plenty of time to come along and shop without feeling rushed. We have arranged for wine and nibbles to make it extra special and as an extra bonus there will be 20% off all purchases from Wednesday to Friday. "

"We want to make sure everyone finds their perfect outfit and we will also be on hand to help with shoes and accessories for all those Christmas nights out ahead," ended Julie.

Other stores open until late on Thursday include the Bodyshop, Demise, Dorothy Perkins, Monsoon, Pink, TopShop and Woolworths.
