Rugby Town Centre gears up for Fashion Extravaganza

This Saturday Rugby Town Centre will play host to models as they glam up for a fashion extravaganza. Rugby shoppers are invited to come along to the Clock Towers Shopping Centre to see the latest fashions on the catwalk. Shows will take place at 11am, 1pm and 3pm.

The line up of models will be receiving their hair and make-up makeovers courtesy of Jaimala Solanki from Mizteeq Hair & Beauty, whilst, Rugby FM will be presenting the shows throughout the day. The event is supported by Clock Towers Shopping Centre and The Rugby BID and will take place in the presentation area between Boots and Wilkinson's.

Rugby Town's most popular high street stores will be showing off this season's latest fashion must haves. The Fragrance Shop, New Look, Xplicit, Boheme, Boots, Heaphys and Millets will all be featuring items from their stores at the fashion extravaganza.

"This is going to be a fantastic opportunity for visitors and shoppers to come along and see what Rugby has to offer," says Tony Spencer, Manager of the Clock Towers Shopping Centre. "And after they've watched the show they can go and have a look around the variety of shops in our town centre."
